Please find below and/or attached an Office communication concerning this application or proceeding.

Non-Responsive Response

The reply filed on 8/11/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to address the second part of the election of species requiring a selection of a single substance. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Additionally, applicant failed to indicate where in the original specification there is support for new claims 38-42.

A response not fully addressing both the election of species requirement and the support for new claims 38-42 will be considered a deliberate non-responsive.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bruce E Snow whose telephone number is (571) 272-4759. The examiner can normally be reached on Mon-Thurs.
